Dear Ms. Best:

This letter concerns your Freedom of Information Act (FOIA) request dated 5/21/2019, and received in this Office on 5/21/2019, for records pertaining to WikiLeaks. This response is made on behalf of the American Battle Monuments Commission.

Specifically, you requested:

“...any and all documents in the agency's possession that pertain to the WikiLeaks website or organization from January 2006 to the present date, including but not limited to emails, memos, notes, briefings, reports and other documents related to, mentioning or generated as a result of:

- * guidance and instructions for employees regarding visiting the website or otherwise reading or learning about it in the news
- * internal reactions to the website's existence and disclosures
- * damage reports regarding the website and its disclosures
- * efforts to identify, investigate and/or mitigate potential leaks to the website
- * efforts to identify, investigate and/or mitigate potential unauthorized viewing of the website or news reports analyzing it and/or its contents”

Please be advised that a search has been conducted within the agency of paper and digital records.

- There are no records responsive to your request.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.
